Dear Rick:

I wanted to drop you a note to both congratulate you and thank you for the superb work your team did on the logo design and stationary package for my company. I have enclosed a copy of the final printed materials for your files.

I was particularly impressed by the creative talents evidenced by your team and their ability to synthesize my conceptual framework into a finished product. Even with the accelerated production schedule I requested, you consistently met all deadlines and produced a finished product that exceeded my expectations. All of this at a competitive price, as well.

As a result of Logodesign's excellent work, I have also decided to engage your team to develop my corporate web site. I would wholeheartedly recommend your organization to any company, large or small, that is looking to establish or enhance their corporate identity and desires to do so at a reasonable price.

Best Regards,
